PACTS – Parents and Carers Together Stockport

The Max Card will be issued upon completion of the membership form and once received you will then be added to our database, the Max card lasts up to two years.

So what is a Max Card?

The Max Card is a discount card for foster families and families of children with additional needs. Families simply show their Max Card upon entry to a venue in order to obtain free or discounted admission.

The scheme is designed to help these families save money on great days out at castles, zoos, bowling alleys and more.

The aim is to provide a sense of community through stimulating learning experiences and with the help of supporting local authorities and venues, we aim to make days out more financially accessible. Bringing families closer together through fun and enjoyable days out.

Where can I use my card?

Cards can be used at any participating venue across the UK. View the full list of attractions that support the Max Card at - www.mymaxcard.co.uk
